

The spirit of the Rosaria mission.

*In memory of
Colleen Mary Welch*

The main Rosaria fundraiser is the annual Colleen Classic Golf Outing, named in memory of Colleen Mary Welch. The daughter of Rosaria co-founder, Tom Welch, Colleen had Down

syndrome, and died from a sudden illness in 2013 at age 22. In many ways, Colleen is the inspiration for Rosaria Communities. Her infectious personality and unconditional love for everyone continue to inform the spirit of the Rosaria mission.

The 2022 Colleen Classic took place at the beautifully conditioned Blue Mash Golf Course in Laytonsville. A full field of players and corporate sponsors assured a 9th consecutive sold-out event. While the day was chilly and overcast, 100% of registered players posted for the shotgun start. We were warmed by a palpable "esprit de corps" and ample hospitality. Together we raised over \$130,000 for Rosaria.

We hope you will support the 2023 Colleen Classic and enable our work to continue!

About Rosaria

Rosaria Communities is a not-for-profit corporation affiliated with the Catholic Archdiocese of Washington. The mission of Rosaria is to foster the construction or renovation of housing to provide independent living opportunities for the thousands of developmentally disabled adults in the Washington Metropolitan area who are in need. To accomplish this mission, Rosaria works to develop and promote partnerships among archdiocesan parishes; public and private funding sources and care providers and facilitators. Rosaria residences assure a living environment of comfort and care in which the social and spiritual needs of the residents are supported in a neighborly manner by an involved parish community.

Rosaria is responsible for the upkeep, capital repair and maintenance; furnishing of the common areas; resident support programs; and organizational operating expenses such as insurance, accounting and auditing.

We Appreciate Your Support!
