Please ask about sponsorship opportunities.

The **COLLEEN**
Classic

2024

to benefit

Rosaria Communities

*In memory of
Colleen Mary Welch*

Rosaria Communities is a neighborhood where resources meet to create homes for intellectually disabled citizens.

After the homes are built or acquired and renovated, Rosaria leads the Welcome Wagon. We introduce our new residents to their neighbors in the local Catholic parish which sponsors the home; and which ministers to our residents' interests in friendship, community involvement and spiritual nourishment.
